Buy and Sell Qoin.

Qoin can be traded as a cryptocurrency on an exchange operated by Block Trade Exchange Limited (BTX) at the BTX daily buy or sell price. The price information of Qoin can be viewed on the BTX website. Daily 'sell limits' apply to transactions of Qoin on BTX. These are based on the supply and demand of buyers and sellers. The limits may apply to the number of transactions, or the amount that may be transacted. These limits may be varied or increased at any time, depending on market conditions. Please refer to the BTX website for these daily limits, Terms of Use and further information prior to trading in Qoin. For more information about the price of Qoin when trading on BTX and the value of Qoin when using it to purchase goods and services please refer to the BTX Fact Sheet.

Before making a decision to purchase Qoin you should read the Product Disclosure Statement and Financial Services Guide available on qoin.world. The purchase of Qoin does not grant the buyer a share of any profits earned by BPS Financial Limited ("BPS") or any decision-making powers in relation to the operation of Qoin. Nothing in any sales presentation, marketing collateral or any other type of document relating to Qoin should be construed as investment, trading, business, legal, tax or financial advice. You should consult the relevant professional regarding the purchase of Qoin. You should be aware of the possibility that you may have to bear the financial risk of any purchase of Qoin for an indefinite period. BPS does not provide any guarantee that Qoin will have any present or future value or will change in value after the date of issue. You should not purchase Qoin unless you understand your exposure to potential loss and BPS shall be under no obligation to purchase Qoin back from you.
